## MYSTERY TOUR TRIP NOTES

18 APRIL- 27 APRIL, 2021

## THE HADAGUTFUL DIFFERENCE

Remote Australian destinations are our idea of 'getting away'. If you share that same dream, let us make it happen. Our aim is to provide as much freedom as you, our 'fellow adventurers', need to come back feeling refreshed and rejuvenated... call it 'Real Life Expedition Therapy'.

Hadagutful Expeditions provide personally guided off-road Australian adventures. With Hadagutful you will venture to extraordinary and idyllic Australian locations. We specialise in 5-18 day Overland Expeditions exclusively for just one, two or three guests. Hadagutful provides all equipment, catering and planning to ensure that your Expedition travels are truly extraordinary.

Hadagutful is different from other tour operators. Our Expedition travel is a 'hands-on' experience. You will get involved with camp set-up, building fires, and daily adventures. Choose to stay a little longer and not be on the go all the time. The Expedition will feel like it's your 'own', allowing you to have input into where you go and what we do.

### AFTER ALL, HAVEN'T YOU HADGUTFUL?

## MYSTERY BROOME

### EXPEDITION SUMMARY

ARE YOU KIDDING ME? You mean I can nominate what I'd like to do and you'll help me get there?

YEP that's right. Have the ultimate input into your very own Broome Adventure. Design your own adventure up to 400km radius of Broome, for a maximum of 3 people using our equipment and experience.

Describe what you would like to do on your Bucket List trip and we'll customise your expedition and pricing.

Do your own research and do the things you want to do, not what everyone 'says' you should do. That might be setting up camp on the beach for the week, or travelling around and exploring some of Western Australia's amazing and untouched coastline.

Want to experience catching fish and mud crabs using traditional methods? Then we'll arrange it with the locals. Or maybe you've always wanted to travel along the southern coastline towards Eighty Mile Beach. Perhaps combine your beach adventure with an outback station stay at Barn Hill Station for example.

We provide all the equipment and supplies and you just rock up.

That's a pretty cool concept and we believe an industry first.

## THE TRIP YOU'VE ALWAYS DREAMT OF

### **MYSTERY BROOME**

**17.96° S, 122.23° E**

Expedition travel the Hadagutful way differs from most and this one is no different.

Whilst most of our expeditions are thoroughly planned, this Mystery Tour is completely unique. YOU get the chance to tell us where you want to go.

We think 1000km is about the limit that you want to be travelling over 10 days, or even less. That way your feet are on the ground and not constantly in the truck.

We don't want to list too many ideas as that would defeat the purpose of you doing your own research. We're certainly happy to assist with some suggestions and advise point to point travel times etc.

If you just want to spend days camped on the beach then what a great way to reboot your batteries. Walks along the beach, sunsets and campfires.

Alternatively, you may want to head up to Cape Leveque and experience the Dampier Peninsula.

So if this time slot suits your calendar then why not have some fun with it. As with all of our expeditions, you make your own arrangements getting in and out of Broome.

We recommend that you leave a few days either side of our dates so that you can enjoy some of the other activities that this region offers e.g. Horizontal Waterfalls, camel rides at sunset on Cable Beach
